ABOUT ME

I'm a passionate web designer & developer. Proficient in a variety of programming languages, including **HTML**, **CSS(SASS)**, **JavaScript(ES6+)**, and **PHP**, as well as frameworks like **Laravel**, **Bootstrap** and **jQuery**. I have strong understanding of web design principles and is able to create visually appealing and user-friendly websites. My technical skills, coupled with my passion for the industry, make me a valuable asset to any team.
